Taste Bud's for Yourself

For nearly 50 years, people have always known where to go when they want great tasting chicken and seafood. And that's because when it comes to chicken and seafood, Bud's does things right. The chicken starts with fresh grade "A" fryers, lightly breaded and cooked till it's crispy on the outside, but juicy on the inside. The same care is taken with Bud's seafood. Like the Alaskan Cod that is hand-cut, breaded and then cooked to golden perfection. Bud's shrimp, scallops and clams receive the same attention. All Bud's dinners comes with crinkle-cut fries, home-made cole slaw and corn fritters. So when it comes to great tasting chicken and seafood, there's only one place to go: Bud's
